

Saint Augustine Church

Minster, Ohio

Celebrating Minster's Sesquicentennial
1832 - 1982

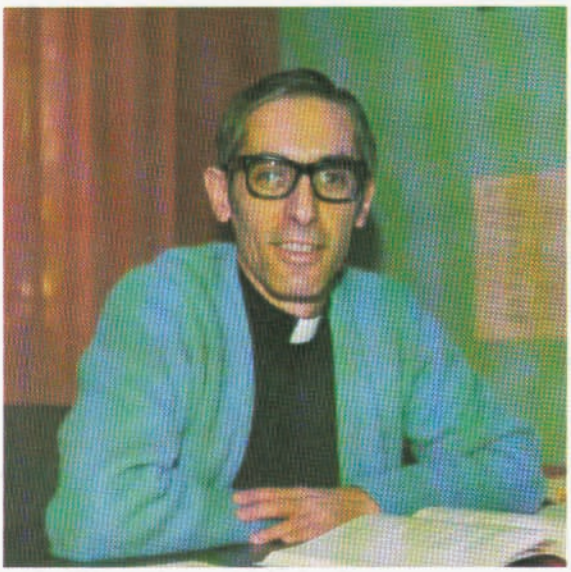

Fr. Joseph Pax, C. PP. S., Pastor

THANK YOU: parish council, for initiating the publication of this book; the committee in charge, for a job well done; all who helped in any way (and there are many) for your invaluable and indispensible assistance; and finally to all of you whose portraits appear in this book, for your splendid cooperation.

This book is a pictorial record of who and what we are today, as Pilgrim's All, also published this year, records where and what we have been in the past. Together these books represent a part of the parish's contribution to the Minster sesquicentennial celebration.

In a sense this is also the sesquicentennial of the parish, as Mass was offered here for the first time 150 years ago, although the actual founding of the parish came later.

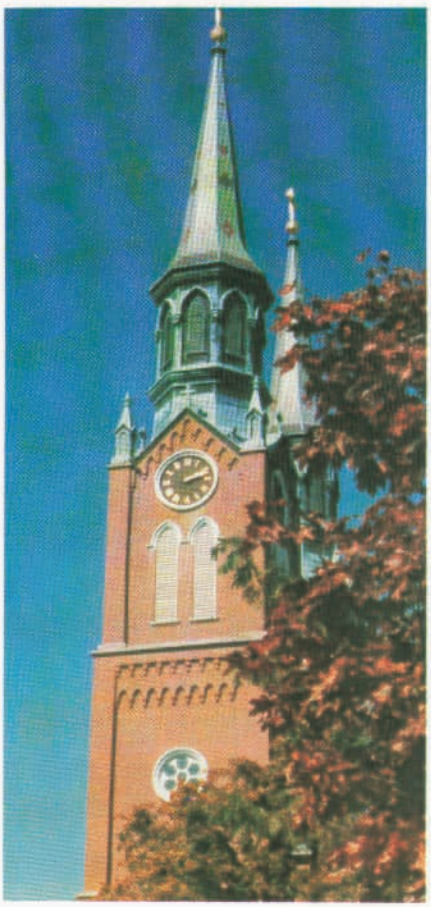

Hopefully this book will be instrumental in bringing our people together in greater unity and harmony as a Christian community.

Fr. Ferd LaManna, C. PP. S., Associate Pastor
